

Appl. No. 09/912,730
Amdt. dated September 1, 2009
Reply to Office action of August 18, 2009

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A method for transferring [a non-monetary asset] financial securities of a donor from the donor's account with an asset holder holding said [non-monetary asset] financial securities to a qualified charitable organization for subsequent transfer to at least one charity comprising:

- a) holding [a non-monetary asset] financial securities for said donor in said donor's account;
- b) providing an electronic communication means having a screen for use by said donor to designate the [non-monetary asset] financial securities being donated and including a list of charities from which the donor can select the charity to receive the contribution;
- c) receiving instructions from said donor via said electronic communication means to transfer said [non-monetary asset] financial securities to said charitable organization; and
- d) transferring said donor designated [non-monetary asset] financial securities to said charitable organization.

2. (currently amended) The method of claim 1, further including the step of providing the donor with a receipt evidencing transfer of the [asset] financial securities and the

date of the transfer.

3. (canceled).
4. (canceled).
5. (canceled).
6. (canceled).
7. (previously presented) The method of claim 6, wherein said list of charities can be modified by the donor.
8. (previously presented) The method of claim 1, wherein the electronic communication means includes a screen to enable the donor to select whether or not to receive a receipt from the asset holder.
9. (previously presented) The method of claim 1, wherein the electronic communication means enables the donor to request a summary of donations made by the donor during a designated time period.
10. (canceled).
11. (original) The method of claim 1, wherein said electronic communication means is accessible by inputting a password.
12. (currently amended) The method of claim 1, wherein said [asset] financial securities can be allocated among multiple charities.

32. (canceled)
33. (canceled)
34. (canceled)

35. (previously presented) The method of claim 1, wherein said electronic communication means is a wireless electronic communication means.

36. (currently amended) A method for transferring [a non-monetary asset] financial securities of a donor from the donor's account with an asset holder holding said [non-monetary

asset] financial securities to a qualified charitable organization for subsequent transfer to at least one charity comprising:

- a) holding [a non-monetary asset] financial securities for said donor in said donor's account;
- b) providing an Automated Teller Machine having a screen for use by said donor to designate the [non-monetary asset] financial securities being donated and including a list of charities from which the donor can select the charity to receive the contribution;
- c) receiving instructions from said donor via said electronic communication means to transfer said [non-monetary asset] financial securities to said charitable organization; and
- d) transferring said donor designated [non-monetary asset] financial securities to said charitable organization.

37. (currently amended) A method for transferring [a non-monetary asset] financial securities of a donor from the donor's account with an asset holder holding said [non-monetary asset] financial securities to a qualified charitable organization for subsequent transfer to at least one charity comprising:

- a) holding [a non-monetary asset] financial securities for said donor in said donor's account;
- b) providing an Internet website having a screen for use by said donor to designate the [non-monetary asset] financial securities being donated and including a list of charities from which the donor can select the charity to receive the contribution;
- c) receiving instructions from said donor via said electronic communication means to transfer said [non-monetary asset] financial securities to said charitable organization; and

d) transferring said donor designated [non-monetary asset] financial securities to said charitable organization.
